

### DINING AND ACCENT CHAIRS

Our slipcovers for dining and accent chairs are custom made to your chair's measurements. We offer a wide variety of slipcover styles designed for a full range of chair types from parson's to ladder-back, including chairs with arms.

### From Visions to Reality.

We specialize in creating custom home decor products for the mass market. We offer our customers a palette of fabrics and style options, which allows them to transform their home decor visions into reality.

**DU250 -**  
Features side gussets with ties, covered welt accents along the back and corner kick pleats.

**DU300 -**  
Features soft ruffled skirt and covered welt accents along the back and seat.

Our slipcovers include covered welt accents and sateen lining where applicable. At Todo es, you create your own custom look. You select the slipcover style, fabric, and welt accent. Choose contrasting welt, mix and match fabrics - create just the look you want.

To order, select from one of the slipcover styles designed for your type of chair, pick a fabric for the cover and welt, measure your chair using our easy to follow form and you'll have beautiful custom covers in a few weeks.
