More About Our Return Policy

Todo es Custom Slipcovers are made to order. Because they are custom made, they cannot be returned for any reason except warranty repair, as described in our Customer Satisfaction Policy on our web site - <http://www.todoes.com/Aboutus.html>. We therefore recommend that measurements be taken carefully and that you order fabric swatches prior to placing your order. Incorrect or incomplete measurement forms will result in delays in producing your order as well as possible rework charges.

TERMS & CONDITIONS OF CUSTOM PRODUCT ORDERS

ALL CUSTOM ORDERS ARE SUBJECT TO THE TERMS AND CONDITIONS LISTED BELOW. PLEASE READ CAREFULLY. YOUR ACCEPTANCE OF THESE TERMS OF SALE IS REQUIRED TO COMPLETING THIS TRANSACTION.

PAYMENT - As is customary with all custom made products, orders must be paid in full when the order is placed. Credit cards will be charged at the time your order is placed.

PRICING ADJUSTMENTS - Adjustments to the cost of your order may be made, after receipt of your photos and measurements, to correct furniture size codes or furniture special features that may have been incorrectly entered on the order.

DELIVERY - Each custom order is individually crafted and allotted all of the time necessary to create a custom crafted quality product. No order will be shipped until we are happy with the result. We offer two levels of service - Standard and Expedited Standard Service orders are processed on a first come first served basis. A number of factors will gauge the amount of time it will take to complete your order - workload at the time your order is placed, the size and complexity of your order and the orders ahead of yours, as well as fabric availability. Given these factors and the fact that all of our orders are custom made and no two orders are alike, it's not possible to accurately estimate the exact time when an order will be shipped. There is no average time in which an order is shipped. If you need your order to arrive by a specific time frame or date, please call us about our Expedited Service which guarantees that your order will arrive by a specified date. Expedited Service guarantees that you will receive your order within the time frame you specify. For Expedited Service please contact us with your required delivery date or time frame to make sure we can accommodate your request. Expedited service fee schedule Orders required in less than 6 weeks - \$50 service charge; 4 weeks or less \$75 service charge.

PRODUCT WARRANTY - We take pride in our product and workmanship. Our ultimate goal is to deliver a product that you will be proud to have in your home. To achieve this goal, we will provide you with any assistance that you might require when ordering or measuring. We also review your measurements upon receipt of your order and again when we convert your measurements into a pattern for your custom product. If we discover any irregularities or have any questions about your measurements or furniture, we will call you to double check the measurements prior to cutting. If you are not happy with the fit of your slipcover due to a manufacturing defect, we will make modifications to your satisfaction at no additional charge. If your custom product requires modification because of incorrect measurements we will charge you for the labor and materials required to make the corrections. Please see schedule below:
